Merry Puzzles - Countdown to Christmas Released for iPhone and iPod Touch

SAN JOSE, CA - Saturday, December 4, 2010 - Twigsbury today announced the release of *Merry Puzzles - Countdown to Christmas* for iPhone and iPod Touch. *Merry Puzzles - Countdown to Christmas* is an interactive puzzle application with illustrations by the Kersten Brothers Studio.

With *Merry Puzzles - Countdown to Christmas* you stroll through Santa's Village to open rib-tickling picture puzzles. When complete, the puzzles become interactive scenes with animations and sounds that bring them to life.

"*Merry Puzzles* delivers the same holiday merriment of our iPad app *Countdown to Christmas - Holiday Puzzles* to a wider iPhone and iPod touch market" said Brian Tharp, Co-founder of Twigsbury.

The app includes custom recordings of 12 classic holiday melodies. "The music is quaint and festive." said Brian. "I love hearing my daughters hum along as they puzzle away. And, perhaps more importantly, I don't get unnerved after listening my kids play it for an hour."

Merry Puzzles - Countdown to Christmas will be available for \$0.99 in the U.S. and is priced accordingly in other regions. *Merry Puzzles - Countdown to Christmas* will be available world-wide from Apple's App Store for the iPhone and iPod Touch, or by visiting: www.twigsbury.com.

Please visit www.twigsbury.com for more *Merry Puzzles - Countdown to Christmas* information, including videos and screenshots of the application.
