Twigsbury, an independent publishing company based out of San Jose, California, was formed in 2010 by Brian Tharp and Bill Daggett for the purpose of publishing fun, creative, interactive applications especially for kids, but fun for the whole family.

At Twigsbury, we are inspired by the potential of mobile media to delight and educate in new and immersing ways. We enjoy how new technologies allow us to build tactile, interactive experiences that stimulate the senses. We crave opportunities to craft something unique and innovative. But mostly, we love to create fun stuff that makes our kids, our friends, and our families smile.
